## HOT ROAST BEEF SANDWICHES

- 1 box beef broth
- 6 oz. deli roast beef per person
- 1 sandwich roll per person (toasted, if desired)
- Sliced provolone cheese
- Roasted red peppers

Bring beef broth to a simmer over low heat in a heavy pot. Add roast beef, cooking until hot. (This only takes a couple of minutes.) Meanwhile, top sandwich rolls with provolone cheese. Add hot roast beef and roasted red peppers. Serve with a side of *jus* for dipping.

OK and I admit -- this Southern girl likes a little mayo on hers.
