## HOT CORNED BEEF SANDWICHES

- Leftover corned beef\*
- Sandwich rolls, toasted
- Swiss cheese slices
- Cole slaw
- Thousand Island Dressing

*\*You could also make these sandwiches using corned beef slices from the deli. I recommend heating the slices in a nonstick skillet.*

Heat corned beef on the stove over low heat until hot. Meanwhile, lightly toast sandwich rolls. Top each roll with a slice or two of swiss cheese, followed by hot corned beef, cole slaw, and dressing. Serve with dill pickle spears.
