## HOUSE BALSAMIC DRESSING

- 3 T balsamic vinegar
- 1 T red wine vinegar
- 1 tsp sugar
- 2 tsp honey
- 1 tsp dijon or spicy mustard
- 1 small garlic clove, squeezed through a garlic press OR very finely minced
- Several turns of black pepper
- 1 C extra virgin olive oil

Combine all ingredients in a cruet and shake until emulsified\*. If you don't have a cruet, combine all ingredients in a bowl and whisk vigorously until emulsified. You can also make this in a blender, but then you will have to clean the blender. I'm just saying.

*\*"Emulsified" is just a fancy word that pretentious people use to mean, "mix it up real good."*
