SUSAN'S HASH BROWN CASSEROLE

- 1 (2 lb) bag frozen cube-style hash brown potatoes, thawed to room temperature (or close)
- 1/2 C butter, melted
- 1 can cream of chicken soup
- 1 C shredded cheddar cheese, plus more for sprinkling on top
- 1/4 C chopped onion
- 1 (8 oz) container sour cream
- Salt & pepper to taste

Preheat oven to 350. Blend all ingredients in a large bowl and spread into a greased casserole dish. Top with extra cheese if desired. Bake uncovered until melty and bubbly, about 45-60 minutes.

You can make this up to 24 hours in advance. Just cover it with foil and keep it in the fridge, then set it out on the counter about 30 minutes prior to baking.
