## EASIEST-EVER BUFFALO CHICKEN SALAD

- Store-bought breaded chicken tenders (I do 2 per adult)
- Bottled Buffalo-style wing sauce to taste
- Iceberg lettuce, rinsed and chopped
- Bottled bleu cheese or ranch dressing
- Shredded carrots and/or celery

Chop chicken tenders into bite-size pieces. Toss with Buffalo sauce.

In a large bowl, toss lettuce and vegetables with dressing. Top with chicken tenders.
