## SHORTCUT CHICKEN PARMESAN

- Frozen breaded chicken tenders (I do 2 chicken tenders per adult)
- Jarred marinara sauce
- Shredded mozzarella cheese
- Grated parmesan cheese

Bake chicken tenders according to package instructions. Once fully cooked, transfer to a lightly greased baking dish, cover with marinara sauce, and top with mozzarella cheese. Keeping the oven at the same temperature, bake uncovered for about 15 minutes or until cheese turns golden brown and bubbles.

Serve over pasta tossed with marinara sauce.
